| Leave No Trace Challenge                                                            |
| Passport Activity<br>brought to you by Overland Journal                             |

### DRIVE EXPERIENCE DETAILS

|                                                                                                                                                |
|------------------------------------------------------------------------------------------------------------------------------------------------|
| Yes! You can drive your personal vehicle or a demo truck on the Overland Journal Tech Course and around the Back 400 Trail.                    |
| In order to access the drive experiences, SLOWLY drive your vehicle through the access road between the camping meetups and the vendor booths. |
| You'll see ranch staff onsite to point you in the right direction. No early signup needed. Join the queue and enjoy the ride!                  |
